In Re: Ohio Highway Use Tax
Account 36-520185

Gentlemen:

This will acknowledge receipt of your recent correspondence with which you indicated a change in name.

We wish to advise, if the legal entity of your equipment has changed and the title of the vehicle(s) reflect this change, you will be required to procure an Ohio Highway Use permit(s) in the new owner's name. An Ohio Highway Use permit(s) may be obtained by properly completing the enclosed application form Hut 8 and forwarding to this department with a \$2.00 fee for each permit requested. Also, you will be required to return the active permit(s) to this office, accompanied by a letter requesting cancellation.

However, if this is a name change only where the corporate structure remains the same, and if the title of the vehicle(s) reflect this change, you will be required to procure a corrected Highway Use permit card(s) to reflect the proper name. A corrected Highway Use permit card(s) may be obtained by properly completing the enclosed replacement application form(s) Hut 8-B, and forwarding to this office with the appropriate fee of \$1.00 (for each permit card requested).

We will take no further action in this matter until we hear from you.

Very truly yours,

Robert A. Beverage

- c. Legal resident address of owner
- d. Manufacturer's serial number of vehicle
- e. Point of authority "pickup" if different from the owner's legal residence address
- f. Permit number - (replacements only)
- g. Account number of owner, if previously registered

A collect telegram will then be dispatched authorizing the travel and must be carried in the cab of the vehicle as evidence of such authorization. After the thirty (30) day temporary authority has been issued, the prescribed application form will be sent to the owner of the vehicle which must be completed and returned to the Highway Use Tax Section of this Department prior to the expiration date of that authority. No additional fee will be required for the issuance of the permanent permit card and identification device but, failure to file this application within the time allotted or pay the tax liability incurred while traveling with a temporary authority, will result in denial of future temporary authority requests. Thirty day temporary authority may also be obtained by written request enclosing the required fee with the completed application. The request must contain a statement as to whether the temporary authority should be wired or mailed, and the point of delivery of such authority, if different from the owner's legal address.

STATE OF OHIO
DEPARTMENT OF TAXATION
HIGHWAY USE TAX SECTION
68 EAST GAY STREET, COLUMBUS, OHIO 43215
TELEPHONE (AREA CODE 614) 469-3921

PREScribed
HIGHWAY USE TAX FORM
HUT 15-C (2-69)

READ CAREFULLY
IMPORTANT INFORMATION

The Ohio Highway Use Tax Law requires that a Quarterly Highway Use Tax Return, HUT Form 15, must be filed by both the owner of the vehicle and any other party who is either leasing, renting, or operating the vehicle under some such arrangement. The return, and payment of the tax, must be received on or before the 20th day of the month following each calendar quarter.

RECORDS:

Each lessor (owner) and lessee (one who leases) must maintain complete records, i.e. manifests, trip records, turnpike receipts etc., to support all travel in Ohio. The taxable Ohio miles will include deadhead and loaded miles and all mileage driven within the city limits of any municipality. All manifests, trip sheets etc., must clearly indicate:

1. Ohio Highway Use Permit Number
2. Company unit number of tractor
3. Company unit number of trailers
4. Trip starting date
5. Origin and destination of trip
6. Ohio miles
7. Rate of tax to be applied
8. Manifest or trip record number and if used –
 - a. Speedometer reading start of calendar quarter
 - b. Speedometer reading end of calendar quarter

Mileage accrued by travel on the Ohio Turnpike SHOULD NOT BE REPORTED on the quarterly highway use tax return (HUT Form 15). However, manifests should reveal all miles traveled in the State of Ohio, including those traveled on the Ohio Turnpike. Receipts obtained from the toll plaza, upon departure from the Ohio Turnpike must be maintained to substantiate the miles traveled on the Ohio Turnpike as shown on manifests. Such receipts or charge account statements must be fully identified as to the date, tractor, trailer and manifest number, or be attached to the trip manifest which does show this information.

Mileage traveled while operating by Ohio temporary authority is taxable and can be reported by the temporary authority number, (Example Z300000), if the permit number is unknown.

CANCELLATION OF PERMITS:

Highway Use Permits are not transferable from vehicle to vehicle nor from owner to owner. If a vehicle is sold, traded or otherwise disposed of, you must return the current identification device and the permit card to the Department of Taxation, Highway Use Tax Section, 68 East Gay Street, Columbus, Ohio 43215, and request that the permit be cancelled.

THE HIGHWAY USE TAX IS TO BE PAID ON THE BASIS OF THE NUMBER OF MILES ACTUALLY TRAVELED
